Cool Girls, Inc. girls' programs enhanced academic achievement through tutoring elementary and middle school girls in reading, writing and math. Weekly club meetings were held to teach life skills. Field trips were taken to reinforce topics learned and demonstrate opportunities outside of the immediate environment. There was also a program to teach technology, money management and to improve communication skills.

Cool Girls, Inc.'s purpose is to empower girls from low-income communities by providing the tools to help girls make positive choices to achieve academic success, break the cycle of teen pregnancy and poverty, and to overcome the barriers of racism and sexism.
